

Newstead Abbey singers are looking for a new Musical Director

NAS was founded in the 1960s and is a friendly, close-knit group, of around 15 very experienced choral singers, from Nottinghamshire and North Leicestershire. We sing a wide range of mainly a capella music, both sacred and secular and we enjoy performing compositions and arrangements by local composers or friends of the choir.

Most concerts are given, by invitation, in village churches and halls, and we perform a Christmas concert at Newstead Abbey each year.
